It was a kind of best-seller. So, it was easy, instructive, interesting and useful for the public. It seems that Ph.D Jan Yager is warm-hearted, and so she would like to help singles. She provided 125 ways to meet the love of your life case by case, character by character. You can choose your right way according to your priority of value in your life. As for me, this phrase was good. If you are a Christian, and you want to meet a Christian, you should spend the time in the place that there is the high possibility to meet a true Christian. There is the reason and the purpose that we should dwell in that place at that moment. We can share the common faith in Our God and common love for Jesus Christ. Including 125 ways to find the love, this book provides the wisdom to keep the good relationship. The most charming merit is to make him/her feel comfortable. So, in the acceptable atmosphere, we can share spirit to spirit, heart to heart fully without tension. Then, how could you make the other feel free? When you listen to his/her words and allow him/her to enter free-space in your heart, he/she will feel comfortable. It is a feeling of the unconditional acceptance. And you give a right and exact feedback to his/her words. It is the best. Sometimes, we feel that we should fulfill our hearts, mind, soul and time with abundant knowledge, business, materials and worries. But, an empty space and a vacant of purity call your soul-mate. For example, when there is a vacant seat, a person goes and sits down. There should be a spiritual room to spare in your heart. Is there any room in your heart for God, Jesus Christ and your soul-mate? Is there any time in your life for God, Jesus Christ and your soul-mate? 0 of 0 people found the following review helpful. Highly useful - the understatement of the week! By Paulette Ensign Jan Yager's book has some really great information in it which I never thought I'd need to use. After ending a lengthy relationship this past year, not only did this book jump off the shelf at me, it offered a wide

range of very do-able approaches for finding Mr. Right. I'm ready to get back into the swing of things again with the guidance of the excellent specifics in 125 Ways To Meet The Love Of Your Life. Thanks, Jan!
